unlocked the door using
the smuggled spell
Where did he escape to?
It appears someone also
got Al a gate scroll spell
with a cultist letter
instructing him to go to
specific coordinates.
100,11 degrees North
167,33 degrees West
Just west of Deceit
entrance turn in.
Whom does he serve?
He serves the Archlich
Jou'nar whom he believes
will be making a return
to burn the world down
like Trinsic did in the
past.

it puts a bad taste in
my mouth that someone
trained and respected like
Frederick the guard was
so stumped, it was

clues led us to. Someone
needs to reevaluate the

Trinsic guard roster
ASAP.
